Hi Jake,

I would request that we put our conversation off for at least a week. We have some internal discussions over the next week or so that have to occur first. Based on the timing of those discussions, I will contact you.

Thank you.

John

Hello John,

I wanted to touch base about the petition regarding the WPDES program in Wisconsin and the associated “75 issues.” Would you be available for a brief telephone conversation this week? If so, what time works best for you?

Thank you.

Jake
